Dear Marta,

Thank you for your letter and the photos of your town. Munich is bigger than my home town, and I'm sure it's more exciting. Do you like it?

I live in a small town called Stromness on an island in the north of Scotland. There aren't many people and life is very quiet here, but I like it. There's a busy harbour with lots of fishing boats. The coast is very beautiful with lovely beaches and interesting sea birds.

I don't like winter here. The days are very short and the sky is always cloudy. We have to stay indoors a lot. When the weather is very bad, people can't leave the island. I like summer, and my favourite month is June. The days are very long and my birthday is in June. Last year I had a barbecue in the garden with all my friends.

Next July I'm going to stay with my aunt in Edinburgh for the Edinburgh Festival. It's the biggest festival in Britain and lots of famous actors and musicians come. Why don't you come to Edinburgh for a few days for the festival? My aunt says you can stay with her, too.

Write soon and tell me.
Mike
