Tania is a film stunt artist. A lot of famous actresses don't like doing dangerous things, and Tania does dangerous actions for them. She works in a lot of adventure films and she has to do a lot of different things. For example, last week she fell down some stairs and jumped off a bridge into a river. In her job, she has to train every day. She must be good at different sports, so she often goes running and swimming. She's a good horse rider, and she can ski very well. Some of the stunts she does are very dangerous, but she doesn't often refuse to do a stunt. Last year a director asked her to drive a car off a cliff. She said no because it was too dangerous. Luckily, Tania doesn't often get hurt at work because she's very careful. Her worst accident was a broken arm, but she broke it when she fell over in her kitchen!

At the moment Tania is training hard for her next film, a fantasy film. She's going to do some amazing stunts for a famous actress. She's very excited because she's going to make the film in Hollywood next month.

Read about Tania. Correct the mistakes in the sentences. Přečti si text a oprav chyby ve větách.
